Welcome to My Personal Page

Thank you for choosing to support my fundraising efforts for the Gaetane Harvey Memorial Walk. You are helping to improve cancer care right here in our own community.

All funds raised will go directly to

- supporting cancer care in various departments at BGH - ie. Diagnostic Imaging, OR/Surgical, Pharmacy, Lab
- The Dr. Douglas A. Macintosh Oncology Clinic at Belleville General Hospital

53 kilometres is a long journey and I couldn't do it without your support. By making a donation you are helping those who continue their fight, those who have survived and honouring loved ones who have passed.

Under the Personal Donations section you can click on the 'Add' button to enter offline donation amounts before you hand in your donations. This will allow you to keep your fundraising total as up to date as possible. This will not receipt your donors! You will still need to hand in all of the donor's information along with the donation to the Foundation office for proper receipting as the Foudnation staff do not see the info entered here.

The screenshot shows a fundraising dashboard with three main sections on the left and a 'Personal Page' settings section on the right. A large blue arrow points from the right towards the 'Add' button in the 'Personal Donations' section.
